

# Proposed Amendment to Neighbourhood Area **Little Bealings**

Little Bealings Parish Council has submitted an application to designate a Neighbourhood Area for the purposes of producing a Neighbourhood Plan.

The application seeks to redesignate the previously approved neighbourhood area. The reason for this redesignation is to align the Little Bealings Neighbourhood area with the current parish boundaries. The existing neighbourhood area and the proposed neighbourhood area are shown on a map below.

Please note that part of the Little Bealings Parish is not included within the proposed neighbourhood area as it is currently within the Great Bealings Neighbourhood Plan.

The Neighbourhood Plan is a way for the Parish Councils to help shape how the community develops over the coming years.

This is not a formal consultation on the Neighbourhood Development Plan itself but whether this is a suitable area for the Plan to cover.

Before deciding on the suitability of the proposed Neighbourhood Area, East Suffolk Council would like to hear your views. Consultation ends on **06 May 2026**.
